= ABOUT US =

Bangladesh International Automobiles Expo & EV Show is a leading platform dedicated to showcasing the latest developments, technologies and innovations in Bangladesh's rapidly growing automobile and electric vehicle industry.

The exhibition brings together automobile manufacturers, EV companies, auto parts and components manufacturers, distributors, importers, dealers, service providers, technology companies and industry professionals under one platform. It provides an excellent opportunity for businesses to showcase their products, build valuable connections, explore new markets and develop long-term partnerships.

Our exhibition covers a wide range of automotive sectors, including Passenger & Commercial Vehicles, Electric Vehicles (EV), Motorcycles, Auto Parts & Components, Batteries, Tyres, Lubricants, Garage Equipment, Auto Electrical & Electronic Parts, Braking & Suspension Systems, CNG/LPG Conversion, Charging Solutions, Repair & Maintenance and Automotive Accessories.

Through this platform, we aim to promote innovation, investment, technology transfer and business networking while supporting the continued growth of Bangladesh's automotive sector.

We believe that the future of mobility is driven by innovation, sustainability and smart technology. Bangladesh International Automobiles Expo & EV Show is committed to creating a dynamic marketplace where industry leaders, businesses, professionals and consumers can discover the future of transportation.

Connecting the Automotive Industry • Promoting Innovation • Driving the Future of Mobility
